
RPG Maker VX Ace - Ancient Dungeons: Jungle Full Crack

Download ->->-> <http://bit.ly/2SNejZQ>

About This Content

Created by Celianna, Ancient Dungeons: Jungle is a tileset meant to create a tropical rainforest location with Aztec and Indonesian inspired temples. It is packed with lots of plants to decorate, as well as exterior and interior tiles for the temple, so you can complete your tomb exploring adventure.

Features:

Animated water auto-tiles, as well as an animated waterfall character set.
A5 floors, including packed dirt, grass and stone.

Animated tiles for doors, chests, statues, and light sources.

Complete jungle Tile B, including cliffs, plants, roots, and other natural decor.

Complete jungle Tile C, including river banks, tall trees, hanging bridge and water plants.

Complete temple Tile D, including outside of an Mayan pyramid, temple ruins and platforms.

Complete temple Tile E, including inside of the Mayan temple, altars, pottery and other decor.

Memory:512 MB RAM

Graphics:1024 x 768 pixels or higher desktop resolution

Hard Drive:400 MB HD space

English,French,German,Italian,Japanese

I will be honest. While the art is indeed as good as you think it will be, the amount of content does not justify the price at all. This should have been combined with at least something else (maybe the aztec faces pack).. I really love the art style of the Ancient Dungeons series. Looking forward to Ancient Dungeons Winter being made available too!
